## Job Summary

The General Surgery Specialist is responsible for delivering high-quality, evidence-based general surgery care to patients of Almather Hospital. The post-holder assesses, diagnoses and manages patients, participates in on-call duties, and contributes to teaching, quality improvement and patient safety in line with CBAHI and MOH standards.

## Essential Duties & Responsibilities

**1. Clinical Care**

i. Provide expert assessment, diagnosis, treatment and follow-up for general surgery patients.
ii. Conduct ward rounds, outpatient clinics and on-call duties as scheduled.
iii. Order and interpret investigations and formulate evidence-based management plans.
iv. Document care accurately and contemporaneously in the medical record.

**2. Patient & Family Communication**

i. Obtain informed consent and explain diagnosis, treatment options and prognosis.
ii. Engage patients and families in shared decision-making.

**3. Quality, Patient Safety & Accreditation**

i. Comply with CBAHI, MOH and GDIPC standards applicable to the role.
ii. Participate in quality improvement projects, audits, incident reporting and root-cause analysis.
iii. Report patient-safety events, near-misses and hazards through the approved reporting system.

**4. Infection Prevention & Control**

i. Adhere to hand-hygiene, standard and transmission-based precautions at all times.
ii. Comply with the hospital Infection Prevention & Control programme and GDIPC audit requirements.

**5. Professional Conduct & Development**

i. Maintain a valid SCFHS / SCHS professional registration where applicable.
ii. Complete mandatory training, competency assessments and continuing professional development.
iii. Uphold patient confidentiality, dignity, rights and the hospital Code of Conduct.

**6. Additional Responsibilities**

i. Perform additional duties or projects as assigned by the Head of Surgery.

## Qualifications: Education, Training & Experience

1. Education — MBBS / MD or equivalent recognized medical degree
2. Education (Preferred) — Postgraduate qualification / Board certification (e.g., SBA, Arab Board, FRCS, MRCP) in specialty

3. Experience — Specialty training with relevant clinical experience
4. Licence / Registration — Valid SCFHS (SCHS) registration as a Physician in the relevant specialty
5. Certification — BLS and ACLS (mandatory); specialty advanced life support (e.g., ATLS/PALS/NRP) as relevant.

## Skills

1. Clinical Expertise: Advanced clinical assessment, diagnosis and evidence-based management in specialty.
2. Communication: Effective communication with patients, families and the multidisciplinary team.
3. Decision-Making: Sound clinical judgement under pressure and in emergencies.
4. Teaching & Supervision: Ability to teach, mentor and supervise junior staff and trainees.
5. Technology: Competent use of HIS/EMR and clinical information systems.
6. Quality & Safety: Application of quality improvement and patient-safety methods.

## Knowledge

1. Pre-operative assessment, surgical indications and peri-operative management of general-surgical conditions.
2. Common general-surgical procedures, surgical anatomy and wound/complication management.
3. Acute abdomen assessment, surgical asepsis and WHO surgical safety checklist.
4. Knowledge of CBAHI National Hospital Standards and accreditation requirements.
5. Knowledge of GDIPC Infection Prevention & Control standards and hand-hygiene practice.
6. Knowledge of applicable KSA healthcare laws, regulations and the hospital Code of Conduct.

## Attitude & Behaviour

1. Respect & Integrity
2. Patient-Centred Approach
3. Accountability
4. Continuous Learning
5. Teamwork & Collaboration
6. Confidentiality
7. Professionalism
8. Adaptability & Resilience
9. Compassion & Empathy
10. Commitment to Safety

## Physical Requirements

- Prolonged standing and walking during shifts.
- Ability to lift/assist patients and equipment (up to ~20 kg) with safe technique.
- Manual dexterity for clinical/technical procedures.
- Use of personal protective equipment (PPE); potential exposure to clinical hazards.
- Shift work, night shifts and on-call duties as required by the unit.
