Laboratory · Medical Services

Job title	Lab Manager	**Job code**	JD-HRM-029
Department	Laboratory	**Division**	Medical Services
Grade	AH4	**Reports to**	Chief Medical Officer
Supervises	Laboratory technicians/specialists	**SCFHS licence**	Yes — Category 5 — Allied Health Professional

Job Summary

The Lab Manager provides laboratory services to patients of Almather Hospital, performing technical procedures accurately and safely while complying with CBAHI, MOH and departmental quality standards.

Essential Duties & Responsibilities

1. Laboratory Service Leadership

i. Lead and manage the Laboratory service, staff, workflow and resources.
ii. Develop and maintain departmental policies, SOPs and quality indicators.
iii. Manage equipment, supplies, budgets and vendor coordination.
iv. Ensure regulatory compliance and accreditation readiness for the service.

2. Laboratory Practice

i. Oversee analytical and pre/post-analytical processes and laboratory quality control.
ii. Validate results, manage critical-value reporting and proficiency testing.
iii. Ensure laboratory accreditation, biosafety and equipment maintenance.

3. Quality, Patient Safety & Accreditation

i. Comply with CBAHI, MOH and GDIPC standards applicable to the role.
ii. Participate in quality improvement projects, audits, incident reporting and root-cause analysis.
iii. Report patient-safety events, near-misses and hazards through the approved reporting system.

4. Infection Prevention & Control

i. Adhere to hand-hygiene, standard and transmission-based precautions at all times.
ii. Comply with the hospital Infection Prevention & Control programme and GDIPC audit requirements.

5. Professional Conduct & Development

i. Maintain a valid SCFHS / SCHS professional registration where applicable.
ii. Complete mandatory training, competency assessments and continuing professional development.
iii. Uphold patient confidentiality, dignity, rights and the hospital Code of Conduct.

6. Additional Responsibilities

i. Perform additional duties or projects as assigned by the Chief Medical Officer.

Qualifications: Education, Training & Experience

1. Education — Bachelor's degree or Diploma in the relevant allied-health discipline
2. Education (Preferred) — Higher qualification / specialty certification in the discipline

3. Experience — 7+ years incl. management
4. Licence / Registration — Valid SCFHS (SCHS) registration in the relevant allied-health category
5. Certification — BLS (mandatory); discipline-specific certification as required.

Skills

1. Technical Skill: Discipline-specific technical and procedural competence.
2. Accuracy & Safety: Precision, quality control and safety in technical work.
3. Communication: Effective communication with clinical teams and patients.
4. Equipment Handling: Operation, calibration and maintenance of equipment.
5. Technology: Use of relevant information and laboratory/imaging systems.
6. Organisation: Workload prioritization and documentation.

Knowledge

1. Laboratory operations across chemistry, haematology, microbiology, blood bank and histopathology.
2. Laboratory quality management (internal QC, external proficiency, ISO 15189).
3. Laboratory instrumentation, LIS, biosafety and specimen-integrity management.
4. Knowledge of CBAHI National Hospital Standards and accreditation requirements.
5. Knowledge of GDIPC Infection Prevention & Control standards and hand-hygiene practice.
6. Knowledge of applicable KSA healthcare laws, regulations and the hospital Code of Conduct.

Attitude & Behaviour

1. Respect & Integrity
2. Patient-Centred Approach
3. Accountability
4. Continuous Learning
5. Teamwork & Collaboration
6. Confidentiality
7. Professionalism
8. Adaptability & Resilience
9. Compassion & Empathy
10. Commitment to Safety

Physical Requirements

- Prolonged standing and walking during shifts.
- Ability to lift/assist patients and equipment (up to ~20 kg) with safe technique.
- Manual dexterity for clinical/technical procedures.
- Use of personal protective equipment (PPE); potential exposure to clinical hazards.
- Shift work, night shifts and on-call duties as required by the unit.
