## Job Summary

The Patient Services Manager supports the patient services & experience function at Almather Hospital, ensuring efficient, compliant and service-oriented delivery aligned to hospital strategy and CBAHI/MOH governance requirements.

## Essential Duties & Responsibilities

**1. Patient Services & Experience Leadership**

i. Lead and manage the Patient Access & Experience function, staff and resources.
ii. Develop policies, procedures, KPIs and annual operating plans for the function.
iii. Manage budget, reporting and stakeholder coordination.

**2. Patient Services & Experience Duties**

i. Lead patient access, registration, experience and complaint-management functions.
ii. Set service standards, KPIs and patient-experience improvement plans.
iii. Coordinate with clinical and revenue-cycle teams to optimize patient flow.

**3. Quality, Patient Safety & Accreditation**

i. Comply with CBAHI and MOH standards applicable to the role.
ii. Participate in quality improvement projects, audits, incident reporting and root-cause analysis.
iii. Report patient-safety events, near-misses and hazards through the approved reporting system.

**4. Professional Conduct & Development**

i. Maintain a valid SCFHS / SCHS professional registration where applicable.
ii. Complete mandatory training, competency assessments and continuing professional development.
iii. Uphold patient confidentiality, dignity, rights and the hospital Code of Conduct.

**5. Additional Responsibilities**

i. Perform additional duties or projects as assigned by the Patient Access & Experience.

## Qualifications: Education, Training & Experience

1. Education — Bachelor's degree in a relevant field
2. Education (Preferred) — Master's degree / professional certification in a relevant field
3. Experience — 6–10 years incl. supervisory
4. Licence / Registration — Professional registration/licensure as applicable to the role
5. Certification — Relevant professional certification preferred.

Uncontrolled when printed. Verify the current version with the Quality Management Department.
