Job Summary

The Chief Executive Officer provides overall strategic, operational and financial leadership for Almather Hospital, ensuring delivery of safe, high-quality, person-centred care and achievement of the hospital's strategic objectives in compliance with KFSHRC governance, CBAHI, MOH and CHI requirements.

Essential Duties & Responsibilities

1. Strategic Leadership

i. Set and execute the hospital's vision, strategy and annual business plan.
ii. Ensure achievement of clinical, operational, financial and growth objectives.
iii. Represent the hospital with the Board, regulators, KFSHRC and key partners.

2. Governance & Compliance

i. Ensure effective corporate and clinical governance and risk management.
ii. Ensure CBAHI accreditation, MOH licensing and regulatory compliance.
iii. Establish and monitor the committee and performance-management framework.

3. Financial & Operational Stewardship

i. Oversee budgeting, financial sustainability and capital investment.
ii. Ensure efficient operations, quality outcomes and patient experience.

4. Quality, Patient Safety & Accreditation

i. Comply with CBAHI and MOH standards applicable to the role.
ii. Participate in quality improvement projects, audits, incident reporting and root-cause analysis.
iii. Report patient-safety events, near-misses and hazards through the approved reporting system.

5. Additional Responsibilities

i. Perform additional duties or projects as assigned by the Board of Directors.

Qualifications: Education, Training & Experience

1. Education — Bachelor's degree in a relevant field
2. Education (Preferred) — Master's degree / professional certification in a relevant field
3. Experience — 20+ years incl. CEO/executive leadership
4. Licence / Registration — Professional registration/licensure as applicable to the role
5. Certification — Relevant executive/professional certification preferred.

Uncontrolled when printed. Verify the current version with the Quality Management Department.
