Senior Clinical Dietitian

Clinical Nutrition & Dietetics · Medical Services

Job title	Senior Clinical Dietitian	**Job code**	JD-HRM-072
Department	Clinical Nutrition & Dietetics	**Division**	Medical Services
Grade	AH3	**Reports to**	Head of Allied Health / Clinical Nutrition Lead
Supervises	Clinical Dietitians and dietetic interns (as assigned)	**SCFHS licence**	Yes — Category 5 — Allied Health Professional

Job Summary

The Senior Clinical Dietitian provides advanced nutrition care for complex and high-risk patients at Almather Hospital, leads nutrition-support practice including enteral and parenteral nutrition, supervises and mentors Clinical Dietitians and interns, and contributes to protocol development, audit and quality improvement, in compliance with CBAHI, MOH and departmental quality standards.

Essential Duties & Responsibilities

1. Clinical Nutrition Practice

i. Lead nutrition assessment and care planning for complex, critically ill and high-risk patients (ICU, oncology, renal, paediatric).

ii. Lead enteral and parenteral nutrition support practice, advising the medical team on regimen selection, transition and complication management.

iii. Advise on complex requirement calculation and metabolic monitoring, including refeeding-syndrome risk and drug–nutrient interactions.

iv. Supervise, mentor and competency-assess Clinical Dietitians and interns; develop nutrition protocols, standards and staff/patient education materials.

2. Quality, Patient Safety & Accreditation

i. Comply with CBAHI, MOH and GDIPC standards applicable to the role.

ii. Participate in quality improvement projects, audits, incident reporting and root-cause analysis.

iii. Report patient-safety events, near-misses and hazards through the approved reporting system.

3. Infection Prevention & Control

i. Adhere to hand-hygiene, standard and transmission-based precautions at all times.

ii. Comply with the hospital Infection Prevention & Control programme and GDIPC audit requirements.

4. Professional Conduct & Development

i. Maintain a valid SCFHS / SCHS professional registration where applicable.

ii. Complete mandatory training, competency assessments and continuing professional development.

iii. Uphold patient confidentiality, dignity, rights and the hospital Code of Conduct.

5. Additional Responsibilities

i. Perform additional duties or projects as assigned by the Head of Allied Health / Clinical Nutrition Lead.

Qualifications: Education, Training & Experience

1. Education — Bachelor's degree in Clinical Nutrition / Dietetics or equivalent
2. Education (Preferred) — Master's degree and/or nutrition-support certification (e.g., CNSC) preferred
3. Experience — 5+ years clinical dietetics experience, including complex nutrition support and supervisory exposure
4. Licence / Registration — Valid SCFHS (SCHS) registration as a Dietitian — Senior Specialist level (Category 5)
5. Certification — BLS (mandatory); nutrition-support certification (e.g., CNSC) preferred.

Skills

1. Advanced Clinical Dietetics: Complex and critical-care nutrition assessment and intervention.
2. Leadership: Supervision, mentoring, competency assessment and protocol development.
3. Communication: Effective counselling of patients/families and liaison with the medical team.
4. Nutrition Support: Enteral and parenteral nutrition planning and monitoring.
5. Technology: Use of EHR, nutrition-analysis software and dietary systems.
6. Organisation: Workload prioritization and documentation.

Knowledge

1. Advanced Nutrition Care Process and evidence-based practice for complex and critically ill patients.
2. Enteral and parenteral nutrition support, refeeding-syndrome management and metabolic monitoring.
3. Nutrition protocol and standard development, clinical audit, and supervision/competency assessment of dietetic staff.
4. Knowledge of CBAHI National Hospital Standards and accreditation requirements.
5. Knowledge of GDIPC Infection Prevention & Control standards and hand-hygiene practice.
6. Knowledge of applicable KSA healthcare laws, regulations and the hospital Code of Conduct.

Attitude & Behaviour

1. Respect & Integrity
2. Patient-Centred Approach
3. Accountability
4. Continuous Learning
5. Teamwork & Collaboration
6. Confidentiality
7. Professionalism
8. Adaptability & Resilience
9. Compassion & Empathy
10. Commitment to Safety

Physical Requirements

- Prolonged standing and walking during shifts.
- Ability to lift/assist patients and equipment (up to ~20 kg) with safe technique.
- Manual dexterity for clinical/technical procedures.
- Use of personal protective equipment (PPE); potential exposure to clinical hazards.

- Shift work, night shifts and on-call duties as required by the unit.
