Audiologist

Audiology (ENT) · Medical Services

Job title	Audiologist	**Job code**	JD-HRM-074
Department	Audiology (ENT)	**Division**	Medical Services
Grade	AH2	**Reports to**	Head of ENT / Allied Health Lead
Supervises	None	**SCFHS licence**	Yes — Category 5 — Allied Health Professional

Job Summary

The Audiologist provides audiological and vestibular services to patients of Almather Hospital across the lifespan — including hearing assessment, diagnosis, hearing-aid fitting and aural rehabilitation — performing procedures accurately and safely while complying with CBAHI, MOH and departmental quality standards.

Essential Duties & Responsibilities

1. Audiology Practice

i. Perform diagnostic audiological assessment — pure-tone and speech audiometry, tympanometry/immittance, OAE and ABR.
ii. Conduct newborn and paediatric hearing screening and follow-up diagnostic testing.
iii. Select, fit, verify and programme hearing aids and assistive listening devices, and provide aural rehabilitation and counselling.
iv. Perform basic vestibular/balance assessment, make ear-mould impressions, and refer to ENT as clinically indicated.

2. Quality, Patient Safety & Accreditation

i. Comply with CBAHI, MOH and GDIPC standards applicable to the role.
ii. Participate in quality improvement projects, audits, incident reporting and root-cause analysis.
iii. Report patient-safety events, near-misses and hazards through the approved reporting system.

3. Infection Prevention & Control

i. Adhere to hand-hygiene, standard and transmission-based precautions at all times.
ii. Comply with the hospital Infection Prevention & Control programme and GDIPC audit requirements.

4. Professional Conduct & Development

i. Maintain a valid SCFHS / SCHS professional registration where applicable.
ii. Complete mandatory training, competency assessments and continuing professional development.
iii. Uphold patient confidentiality, dignity, rights and the hospital Code of Conduct.

5. Additional Responsibilities

i. Perform additional duties or projects as assigned by the Head of ENT / Allied Health Lead.

Qualifications: Education, Training & Experience

1. Education — Bachelor's degree in Audiology / Communication Sciences or equivalent
2. Education (Preferred) — Master's degree / doctorate (AuD) in Audiology preferred
3. Experience — 2–4 years clinical audiology experience
4. Licence / Registration — Valid SCFHS (SCHS) registration as an Audiologist (Category 5)

5. Certification — BLS (mandatory); paediatric-audiology and hearing-aid competencies as required.

Skills

1. Audiological Skill: Diagnostic audiometry, immittance, OAE/ABR and hearing-aid fitting.
2. Accuracy: Precise test administration, calibration checks and result interpretation.
3. Communication: Patient/family counselling and liaison with ENT and paediatric teams.
4. Equipment Handling: Operation, daily calibration and QC of audiometric equipment.
5. Technology: Use of hearing-aid programming software and audiology reporting systems.
6. Organisation: Workload prioritization and documentation.

Knowledge

1. Auditory and vestibular anatomy, physiology and pathology, and audiogram interpretation.
2. Diagnostic audiometry, tympanometry/immittance, otoacoustic emissions (OAE) and auditory brainstem response (ABR).
3. Hearing-aid technology, verification (real-ear measurement), newborn hearing screening and aural rehabilitation.
4. Knowledge of CBAHI National Hospital Standards and accreditation requirements.
5. Knowledge of GDIPC Infection Prevention & Control standards and hand-hygiene practice.
6. Knowledge of applicable KSA healthcare laws, regulations and the hospital Code of Conduct.

Attitude & Behaviour

1. Respect & Integrity
2. Patient-Centred Approach
3. Accountability
4. Continuous Learning
5. Teamwork & Collaboration
6. Confidentiality
7. Professionalism
8. Adaptability & Resilience
9. Compassion & Empathy
10. Commitment to Safety

Physical Requirements

- Prolonged standing and walking during shifts.
- Ability to lift/assist patients and equipment (up to ~20 kg) with safe technique.
- Manual dexterity for clinical/technical procedures.
- Use of personal protective equipment (PPE); potential exposure to clinical hazards.
- Shift work, night shifts and on-call duties as required by the unit.

Approval

Reviewed & recommended by	Department Head	**Approved by**	HR Manager
