i. Collect and process patient payments (cash, card and insurance co-payments) accurately and issue official receipts.
ii. Post transactions to the billing/HIS system and apply payments to the correct patient accounts.
iii. Reconcile the cash drawer at shift end, prepare daily collection reports and hand over takings per cash-handling policy.
iv. Respond to patient billing enquiries courteously and escalate disputes or discrepancies to the supervisor.

2. Quality, Patient Safety & Accreditation

i. Comply with CBAHI and MOH standards applicable to the role.
ii. Participate in quality improvement projects, audits, incident reporting and root-cause analysis.
iii. Report patient-safety events, near-misses and hazards through the approved reporting system.

3. Professional Conduct & Development

i. Adhere to cash-handling, receipting and financial-control policies at all times.
ii. Complete mandatory training, competency assessments and continuing professional development.
iii. Uphold patient confidentiality, dignity, rights and the hospital Code of Conduct.

4. Additional Responsibilities

i. Perform additional duties or projects as assigned by the Finance Manager / Revenue-Cycle Supervisor.
