Nursing Recruitment Coordinator

Nursing · Nursing & Allied Health

Job title	Nursing Recruitment Coordinator	**Job code**	JD-HRM-083
Department	Nursing	**Division**	Nursing & Allied Health
Grade	N3	**Reports to**	Deputy Chief Nursing Officer / CNO
Supervises	None	**SCFHS licence**	Yes — Category 4 — Nurse

Job Summary

Provides leadership in all nursing recruitment and retention activities. Performs special projects, studies, and administrative tasks related to recruitment. Develops proposals and recommends implementation of modifications and improvements to maximize the efficiency of recruitment and retention across Nursing Affairs.

Essential Duties & Responsibilities

1. Provides leadership in all nursing recruitment and retention activities across Nursing Affairs. Drives the strategic and operational plan for recruitment and retention in alignment with the hospital's workforce plan and Nursing Affairs objectives.
2. Monitors and evaluates the efficiency and effectiveness of recruitment and retention processes. Identifies opportunities for improvement and implements best practices. Contributes to the development of the performance improvement plan for the area.
3. Reviews and monitors nursing staffing allocation across all units including current operations and planned expansions. Prepares staffing gap analyses and recommendations for Nursing Affairs leadership.
4. Coordinates and organizes recruitment campaigns, job fairs, and recruitment trips. Manages candidate screening, interviews, and selection processes in coordination with Human Resources. Assumes responsibility for sign-off on approved candidates as applicable.
5. Develops and manages recruitment marketing materials, online presence, and communication channels to increase awareness of nursing career opportunities at Almather Hospital.
6. Develops mechanisms for data collection and tracking of recruitment and retention metrics (e.g., time-to-fill, vacancy rate, turnover rate, retention rate). Produces regular reports and dashboards for leadership.
7. Leads and demonstrates achievement in meeting Saudization targets and nationality mix across Nursing Affairs in collaboration with Nursing Leadership, consistent with the hospital's strategic plan.
8. Develops and implements nurse retention strategies including engagement programs, recognition initiatives, exit interview analysis, and action plans to reduce turnover to meet area-specific targets.
9. Coordinates the new nursing staff onboarding process with Nursing Education, Human Resources, and unit Head Nurses to ensure smooth integration and early retention of new hires.
10. Manages the recruitment and retention budget. Promotes resource utilization awareness. Prepares annual budget and provides variance reports. Forecasts requirements for personnel and recruitment activities.
11. Produces training needs analyses and succession plans. Supports nursing staff in career development planning and professional growth pathways.
12. Establishes and maintains effective administrative processes. Prepares quarterly reports and maintains records of all recruitment and retention activity and outcomes.
13. Follows all hospital-related policies and procedures. Participates in self and others' education, training, and development. Performs other related duties as assigned.

Qualifications: Education, Training & Experience

1. Education — Bachelor's Degree in Nursing (BSN) is required. Master's Degree in Nursing, Human Resources, Healthcare Administration, or related discipline is preferred.
2. Experience — 6 years of related nursing experience with Master's or 8 years with Bachelor's Degree is required. Experience in healthcare recruitment, workforce planning, or HR coordination is preferred.
3. Licence / Certification — Current RN licensure from country of origin and SCFHS licensure/classification required. Certification in Human Resources or Healthcare Recruitment is preferred. BLS required.

Skills

1. Leadership: Leading, supervising and developing nursing teams.
2. Communication: Clear communication, negotiation and stakeholder management.
3. Decision-Making: Sound clinical and operational judgement under pressure.
4. Analytical Skill: Data-driven planning, staffing and performance management.
5. Technology: Use of HIS/EMR and nursing management systems.
6. Organisation: Planning, coordination and priority management.

Knowledge

1. Nursing recruitment, credentialing and onboarding coordination.
2. SCFHS classification/registration and nursing licensure requirements.
3. Workforce planning, Saudisation targets and HR-nursing liaison.
4. Knowledge of CBAHI National Hospital Standards and accreditation requirements.
5. Knowledge of SCFHS scope-of-practice and professional-registration requirements.
6. Knowledge of applicable KSA healthcare laws, regulations and the hospital Code of Conduct.

Attitude & Behaviour

1. Respect & Integrity
2. Patient-Centred Approach
3. Accountability
4. Continuous Learning
5. Teamwork & Collaboration
6. Confidentiality
7. Professionalism
8. Adaptability & Resilience
9. Compassion & Empathy
10. Commitment to Safety

Physical Requirements

- Prolonged standing and walking during shifts.
- Ability to lift/assist patients and equipment (up to ~20 kg) with safe technique.
- Manual dexterity for clinical/technical procedures.

- Use of personal protective equipment (PPE); potential exposure to clinical hazards.
- Shift work, night shifts and on-call duties as required by the unit.
